ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to a substantial number of the Shareholders who do not hold their Common Shares in their own names. Shareholders who do not hold their Common Shares in their own names (referred to in this Information Circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those shares will not be registered in the Shareholder's name in the records of the Corporation. Such shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. **Without specific instructions, brokers/nominees are prohibited from voting Common Shares for their clients. The directors and officers of the Corporation do not know for whose benefit the Common Shares registered in the name of CDS & Co. or other brokers/agents are held.**

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder on how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**").

Broadridge mails a scannable voting instruction form (a "**VIF**") in lieu of the form of proxy provided by the Corporation. The VIF will name the same person as named in the form of proxy to represent the Beneficial Shareholder at the Meeting. A Beneficial Shareholder has the right to appoint a person (who need not be a Shareholder), other than the persons designated in the VIF, to represent the Beneficial Shareholder at the Meeting. To exercise this right, the Beneficial Shareholder should insert the name of the desired representative in the blank space provided in the VIF. You are asked to complete and return the VIF to Broadridge by mail or facsimile. Alternatively, you can call Broadridge's toll-free telephone number to vote your Common Shares. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, it cannot be used as a form of proxy to vote your Common Shares directly at the Meeting and must be returned to Broadridge well in advance of the Meeting in order to have those Common Shares voted or to appoint an alternative representative to attend the Meeting in person to vote such shares.**

EXERCISE OF DISCRETION OF PROXIES

The Common Shares represented by the form of proxy will be voted or withheld from voting or voted for or against, as applicable, in accordance with the instructions of the Shareholder on any ballot that may be called for, and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments to or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly be brought before the Meeting. As at the date hereof, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting.

IN THE ABSENCE OF ANY SPECIFIC DECISION BEING MADE ON ANY MATTERS TO BE VOTED UPON AT THE MEETING, WHERE THE MANAGEMENT DESIGNEES ARE NAMED AS PROXY, THE COMMON SHARES REPRESENTED BY THE FORM OF PROXY WILL BE VOTED IN FAVOUR OF ALL RESOLUTIONS.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares, an unlimited number of non-voting common shares, an unlimited number of class A preferred shares, issuable in series, an unlimited number of class B preferred shares, issuable in series, and an unlimited number of class c preferred shares, issuable in series. As of the date hereof, there are 531,386,299 Common Shares issued and outstanding, each such share entitling the holder thereof to one vote, and no non-voting common shares, class A preferred shares, class B preferred shares or class C preferred shares are issued and outstanding.

To the knowledge of the directors and officers of the Corporation, as at the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over voting securities of the Corporation carrying more than 10% of the voting rights attached to the total issued and outstanding Shares of the Corporation, except as follows:

Although GMT Capital Corp. holds 146,063,131 (27.5% of the issued and outstanding) Common Shares, it only exercises ownership and control over 128,748,109 (24.2%) of the Common Shares, as more particularly set out in the Form 62-103F3 filed by GMT Capital Corp. pursuant to National Instrument 62-103 – *The Early Warning System and Related Take-Over Bid and Insider Reporting Issues* and dated June 10, 2022, whereby GMT Capital Corp has specifically disclaimed any ownership or control over the Common Shares held by GMT Exploration LLC and confirms that there is no agreement, commitment or understanding between GMT Capital Corp. and GMT Exploration LLC with regards to the acquisition or disposition of, or the exercise of any of the voting or exercise rights attaching to, any of those Common Shares.

As at the date hereof, 61,061,623 or approximately 11.5%, of the total issued and outstanding Common Shares are legally owned, directly or indirectly, by all the directors and officers of the Corporation as a group. Certain of the directors and/or officers of the Corporation own their Common Shares indirectly.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth herein, management of the Corporation is not aware of any material interest, direct or indirect, by way of beneficial interest or otherwise, of any director or executive officer of the Corporation, any proposed nominee for election as a director of the Corporation, or any associate or affiliate of the foregoing in any matter to be acted upon at the Meeting other than the election of directors.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Corporation's board of directors (the "**Board**"), the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting.

Financial Statements

The audited financial statements of the Corporation for the year ended December 31, 2024 will be presented at the Meeting. No vote is required in respect of this matter. The Board, upon the recommendation of the Audit Committee of the Board (the "**Audit Committee**"), approved the financial statements prior to their delivery to the Shareholders.

Fixing Number of Directors

The Articles of the Corporation state that the Board shall consist of a minimum of three and a maximum of fifteen directors, and shall be fixed from time to time by resolution of the Shareholders. The Shareholders will be asked to consider and, if thought fit, to pass the following resolution:

"BE IT RESOLVED, as an ordinary resolution of the holders of voting common shares in the capital of Coelacanth Energy Inc. (the "**Corporation**"), that the number of directors of the Corporation to be elected be and is hereby fixed at six."

In order for the foregoing resolution to be passed, it must be approved by a simple majority of the votes cast by Shareholders at the Meeting.

Unless a Shareholder has specified otherwise, the Management Designees, if named as proxy, will vote in favour of the above resolution.

Election of Directors

Nominees

The Board presently consists of six directors, all of whom are elected annually. The current directors are Robert Zakresky, William Lancaster, John Brussa, Tom Medvedic, Harvey Doerr and Raymond Hyer.

At the Meeting, it is proposed that six persons be elected as directors of the Corporation, to serve until the next annual meeting of Shareholders or until their successors are duly elected or appointed.

The purpose of the Option Plan is to afford persons who provide services to the Corporation, whether as directors, officers, employees or otherwise, an opportunity to obtain a proprietary interest in the Corporation by permitting them to purchase Common Shares. The Option Plan also aims to attract and retain persons of desired experience and ability to the Corporation and to retain and encourage the continued involvement of such persons with the Corporation.

The Option Plan is administered by the Board, who will, from time to time, grant stock options to eligible participants. Directors, officers and employees of, and consultants and advisors to, the Corporation are eligible to participate in the Option Plan.

The aggregate number of authorized but unissued Common Shares allocated and made available to be granted to eligible participants under the Option Plan and other share compensation arrangements may not exceed 10% of the outstanding Common Shares at any time. At no time may the number of Common Shares reserved or granted under stock options and other share compensation arrangements exceed 10% of the aggregate number of the then issued and outstanding Common Shares. The Common Shares in respect of which stock options are exercised or cancelled or expire unexercised for any reason shall be available for subsequent stock option grants. The terms of any stock options granted shall be for a period of time determined by the Board in its discretion, provided that

the term may not exceed 10 years and subject to earlier automatic termination when the holder ceases to be an eligible participant in accordance with the terms of the Option Plan.

The aggregate number of Common Shares subject to an option to an eligible participant under the Option Plan will be determined by the Board, but no participant may be granted options representing more than 5% of the issued and outstanding Common Shares within any 12-month period (the maximum number permitted by the Exchange to be granted to any one individual in a year). The aggregate number of options to be granted to any consultants or any participants conducting investor relation activities shall not exceed 2% of the issued and outstanding Common Shares within any 12-month period. Please refer to the discussion under "*Statement of Executive Compensation – Compensation Discussion and Analysis – Share-based and Option-based Awards – The Option Plan*" for more information.

In accordance with the rules of the Exchange, the Option Plan must be approved by the Shareholders annually. Accordingly, at the Meeting, Shareholders will be asked to consider and, if thought fit, to approve the following ordinary resolution re-approving the Option Plan:

"BE IT RESOLVED, as an ordinary resolution of the holders of voting common shares in the capital of Coelacanth Energy Inc. (the "**Corporation**"), that:

1. the amended and restated stock option plan of the Corporation, in form attached as Appendix "B" to the Information Circular and Proxy Statement of the Corporation dated April 23, 2025, be and the same is hereby authorized and approved until the next annual general meeting of the shareholders of the Corporation; and
2. any one director or officer of the Corporation is authorized and directed, on behalf of the Corporation, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under seal of the Corporation or otherwise) that may be necessary or desirable to give effect to these resolutions."

In order for the foregoing resolution to be passed, it must be approved by a simple majority of the votes cast by Shareholders at the Meeting.

Unless a Shareholder has specified otherwise, the Management Designees, if named as proxy, will vote in favour of the above resolution.

Approval of Performance and Restricted Share Unit Plan

At the Meeting, Shareholders will be asked to approve an ordinary resolution to ratify and approve the Corporation's performance and restricted share unit plan (the "**PRSU Plan**"). A copy of the PRSU Plan, is attached hereto as Appendix "C".

The following is a summary only of the material terms of the PRSU Plan and is subject to, and qualified in its entirety by, the full text of the PRSU Plan. Shareholders are urged to read the entire PRSU Plan, which is attached hereto as Appendix "C".

The purpose of the PRSU Plan is to provide directors, officers, employees, consultants and other service providers of the Corporation (collectively, "**Service Providers**") an incentive to achieve the longer-term objectives of the Corporation; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation; and to attract and retain in the employ of the Corporation or any of its subsidiaries, persons of experience and ability by providing them with the opportunity to acquire an increased proprietary interest in the Corporation.

The number of Common Shares that may be reserved for issuance pursuant to awards granted under the PRSU Plan and other share compensation arrangements, including but not limited to the Option Plan, shall not exceed 10% of the total Common Shares issued and outstanding as at the time of the grant.

Service Providers are designated by the Board at their sole discretion. Service Providers are eligible to receive performance share units ("PSUs") and restricted share units ("RSUs"), pursuant to the PRSU Plan. Persons retained primarily to conduct investor relations activities are not eligible to participate in the PRSU Plan. Pursuant to the PRSU Plan, directors of the Corporation are only eligible to be awarded RSUs; they are not eligible to be awarded PSUs. Please refer to the discussion under "*Statement of Executive Compensation – Compensation Discussion and Analysis – Share-based and Option-based Awards – The PRSU Plan*" for more information.

In accordance with the rules of the Exchange, the PRSU Plan must be approved by the shareholders annually. Accordingly, at the Meeting, Shareholders will be asked to consider and, if thought fit, to approve the following ordinary resolution re-approving the PRSU Plan:

2. any one director or officer of the Corporation is authorized and directed, on behalf of the Corporation, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under seal of the Corporation or otherwise) that may be necessary or desirable to give effect to these resolutions."

In order for the foregoing resolution to be passed, it must be approved by a simple majority of the votes cast by Shareholders at the Meeting.

Unless a Shareholder has specified otherwise, the Management Designees, if named as proxy, will vote in favour of the above resolution.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Governance

Compensation Committee

The Compensation Committee has been appointed by the Board and is comprised of John Brussa, William Lancaster and Tom Medvedic, all independent directors within the meaning of National Instrument 52-110 *Audit Committees*. Each member of the Compensation Committee has direct experience that is relevant to his responsibilities in executive compensation, as well as the skills and experience necessary to enable him to make decisions as to the suitability of the Corporation's policies and practices. These skills were acquired, in part, through their involvement in executive management and other roles with other companies. Mr. Brussa is a Partner and the Chair of Burnet, Duckworth & Palmer LLP, Mr. Lancaster is the President and Director of GMT Exploration Company LLC., and Mr. Medvedic is the Chief Financial Officer of NorthRiver Midstream Inc. In connection with their various responsibilities, all of the members of the Compensation Committee have experience in the implementation and management of compensation policies and practices.

The mandate of the Compensation Committee is to:

- (a) review the Corporation's overall corporate goals and objectives and ensure they are supported by appropriate executive compensation philosophy and programs;
- (b) annually evaluate the performance of the Chief Executive Officer against predetermined goals and criteria and recommend to the Board the total compensation for the Chief Executive Officer;
- (c) annually review and provide input in respect of the Chief Executive Officer's recommendations for compensation of the executives that report directly to the Chief Executive Officer;
- (d) review the succession planning process and results of the process as it relates to executive roles;
- (e) review, and approve as appropriate, any significant compensation and benefit programs for all employees; and
- (f) review and recommend to the Board the compensation to be provided to members of the Board and ensure its competitiveness.

The Compensation Committee convenes at least once a year to review compensation for all executive officers and conducts an independent evaluation of compensation for current management. The Compensation Committee submits its recommendations to the Board. The Compensation Committee has the goal of achieving an effective compensation structure that aligns the interests of management with those of the Shareholders.

Executive Compensation

The Corporation's policy is to provide a compensation package that will:

- (a) align executive compensation with Shareholders' interests;
- (b) attract and retain qualified executive officers;
- (c) focus performance by linking incentive compensation to the achievement of corporate objectives and financial results; and

- (d) encourage retention of key executives for leadership succession.

The Corporation relies solely on the Compensation Committee to determine the compensation of the Corporation's executive officers. While the Compensation Committee considers various factors (as discussed above) when determining executive compensation, it does not apply any formal objectives or criteria.

Compensation of the Chief Executive Officer

The factors considered by the Compensation Committee in determining total compensation for the Chief Executive Officer, as well as the manner in which these factors are reviewed, are similar to those used in determining total compensation for the other executive officers of the Corporation. However, in the case of the Chief Executive Officer, more weight is generally given to strategic planning to support future shareholder value and the reward for high performance generally takes the form of stock options (rather than some other component(s) of executive compensation discussed above). Following the Compensation Committee's evaluation of the Chief Executive Officer's performance, the Compensation Committee prepares a compensation recommendation for the review and approval of the Board.

The Compensation Committee's review of Mr. Zakresky's 2024 performance recognized the progress made on significant strategic and operational initiatives, which are expected to support long-term Shareholder value. In addition, Mr. Zakresky has kept the Board fully and transparently informed on issues of financial, operational and strategic importance and has ensured that executive officers and technical experts have been available to the Board.

Components of Compensation

The components of executive compensation of the Corporation are discussed below. Although each of the components has different objectives, each is considered by the Compensation Committee to be equally important and each must be competitive within the Corporation's peer group.

Base Salary

Base salaries for executive officers are determined by the Compensation Committee generally on the basis of position held, related responsibilities and functions performed, having regard to base salary ranges for similar positions in the Corporation's comparative group. The Compensation Committee also considers an annual industry survey containing comparative data for a peer group of oil and gas companies. Compensation levels are to approximate the median level of the survey, but individual and corporate performance are also considered by the Compensation Committee in assessing compensation.

Bonus Plan

Bonuses for executive officers are determined by the Compensation Committee generally on the basis of position held, related responsibilities and functions performed. The Compensation Committee also considers the Corporation's performance.

Stock Options

Stock options are granted by the Compensation Committee and, in determining the number of options to be granted, the Compensation Committee generally considers the number and terms of options previously granted to each executive officer, the number of options available for grant under the Option Plan while giving consideration to other share compensation arrangements, the responsibilities and functions of each executive officer, the individual performance of each executive officer and the overall performance of the Corporation. See "*Statement of Executive Compensation – Compensation Discussion and Analysis – Share-based and Option-based Awards – The Option Plan*".

PSUs and RSUs

PSUs and RSUs are granted by the Compensation Committee and, in determining the number of PSUs and RSUs to be granted, the Compensation Committee generally considers the number and terms of options previously granted to each executive officer, the number of PSUs and RSUs available for grant under the PRSU Plan while giving consideration to other share compensation arrangements, the responsibilities and functions of each executive officer, the individual performance of each executive officer and the overall performance of the Corporation. See "*Statement of Executive Compensation – Compensation Discussion and Analysis – Share-based and Option-based Awards – The PRSU Plan*".

Employee Stock Savings Plan ("ESSP")

All employees, including executive officers, of the Corporation are encouraged to contribute a portion of their salaries to the Corporation's ESSP. Employees may contribute, on a discretionary basis, a maximum of 10% of salary. Employees can choose to direct this money into registered retirement savings plans, tax-free savings accounts, or have it held in cash accounts. The Corporation does not have a pension plan and this savings plan provides a form of future retirement income. For each dollar contributed by the employee to the plan, the Corporation contributes one dollar. The funds are used to buy common shares in the open market. Both the employee and employer contributions are subject to restrictions on removal from the plan. The purposes of the plan are to provide the opportunity for employees to participate in the growth and development of the Corporation, to provide incentive to employees, to promote employee retention and to align the goals of employees with those of the Corporation in order to create shareholder value.

The Corporation's compensation practices, including the mix of base salary and short- and long-term incentives, are regularly assessed to ensure they are competitive, take account of external market trends and support the Corporation's long-term growth strategies.

Compensation Risk

The Compensation Committee reviews compensation policies and practices of the Corporation taking into account any risks associated with these policies and practices. The Compensation Committee has not identified risks associated with the Corporation's compensation policies which could have a material adverse effect on the Corporation. Those risks and uncertainties which may have a material adverse effect on the Corporation are reviewed on a quarterly basis by management of the Corporation and the Audit Committee and are disclosed in the management's discussion and analysis which accompanies the Corporation's financial statements. None of these risks relates to the compensation policies and practices of the Corporation.

Although the Corporation has not adopted a formal policy forbidding an insider from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the insider, the Corporation is not aware of any insider having entered into this type of transaction.

Compensation levels for the Chief Executive Officer, Chief Financial Officer and Chief Operating Officer (collectively, the "**Named Executive Officers**") during the fiscal year ended December 31, 2024 is based on total return on investment. As mentioned previously, the Corporation relies exclusively on the Compensation Committee to determine executive compensation and the Compensation Committee does not apply any formal objectives or criteria in doing so.

Share-based and Option-based Awards

The PRSU Plan

The purpose of the PRSU Plan is to provide Service Providers an incentive to achieve the longer-term objectives of the Corporation; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation; and to attract and retain in the employ of the Corporation or any of its subsidiaries, persons of experience and ability by providing them with the opportunity to acquire an increased proprietary interest in the Corporation.

The number of Common Shares that may be reserved for issuance pursuant to awards granted under the PRSU Plan and other share compensation arrangements, including but not limited to the Option Plan, shall not exceed 10% of the total Common Shares issued and outstanding as at the time of the grant. As of April 23, 2025, an aggregate of 8,426,732 Common Shares were issuable upon the exercise of RSUs previously granted under the PRSU Plan (representing approximately 1.6% of the currently outstanding Common Shares). No PSUs have been issued to date.

Service Providers are designated by the Board at their sole discretion. Service Providers are eligible to receive PSUs and RSUs, pursuant to the PRSU Plan. Persons retained primarily to conduct investor relations activities are not eligible to participate in the PRSU Plan. Pursuant to the PRSU Plan, directors of the Corporation are only eligible to be awarded RSUs; they are not eligible to be awarded PSUs.

Subject to the provisions and restrictions of the PRSU Plan, the aggregate maximum number of Common Shares available under the PRSU Plan may be used for any type of award as determined and fixed by the Board, at their sole discretion. The Board shall have the authority to determine, in their sole discretion, at the time of a grant of any PSUs or RSUs the duration of the vesting period, except that no PSUs or RSUs, or portions thereof, may vest before the date that is one year following the date such PSUs or RSUs are granted or issued, or after the expiry date of the PSUs or RSUs, as applicable, or as otherwise provided in the PRSU Plan.

In accordance with the policies of the Exchange: (a) the aggregate number of Common Shares that may be issued pursuant to the PRSU Plan shall not exceed ten percent (10%) of the issued and outstanding Common Shares at the time of grant; (b) the number of Common Shares issuable to any one Service Provider under all security based compensation arrangements, including the PRSU Plan, within any one-year period, shall not exceed five percent (5%) of the issued and outstanding Common Shares; (c) the aggregate number of Common Shares issuable to any one Service Provider who is a consultant under all security based compensation arrangements, including the PRSU Plan within any one-year period, shall not exceed two percent (2%) of the issued and outstanding Common Shares; and (d) the aggregate number of Common Shares issuable to Insiders (as defined by the Exchange policies) at any time or within any one-year period, shall not exceed ten percent (10%) of the issued and outstanding Common Shares.

Service Providers may elect at any time to redeem vested awards on any date or dates after the date the awards become vested awards and on or before the expiry. Service Providers shall have no rights as shareholders in respect of any Common Shares covered by such Service Provider's PSUs or RSUs, as applicable, until the awards have been redeemed and a share certificate has been issued to such Service Provider.

If a Service Provider ceases to hold the position or positions (as the case may be) as a Service Provider for any reason other than death or disability, including by reason of termination or resignation, all vested PSUs or RSUs, as applicable, must be redeemed at the earlier of the expiry date and 90 days. If the Service Provider ceases to hold such position or positions (as the case may be) as a Service Provider by reason of disability, all vested PSUs or RSUs, as applicable, shall be automatically settled and the date of distribution of the Common Shares represented by such PSUs or RSUs, as applicable, shall be the 90th day after such date and all PSUs or RSUs unvested at the time such Service Provider ceases to hold such position or positions as a Service Provider shall terminate without payment and shall be of no further force or effect. In the case of death of a Service Provider, all vested PSUs or RSUs, as applicable, which shall vest within one year shall be automatically settled and the date of distribution of the Common Shares represented by such PSUs or RSUs, as applicable, shall be within one year after the death of the Service Provider and all other unvested PSUs or RSUs, as applicable, shall terminate without payment and shall be of no further force or effect. If the Service Provider ceases to hold the position or positions (as the case may be) as a Service Provider by reason of disability, any vested PSUs or RSUs, as applicable, held by such Service Provider under the PRSU Plan at the date such Service Provider ceases to hold the position or positions (as the case may be) as a Service Provider, shall be automatically settled and the distribution date shall be the 90th day after such date and all unvested PSUs or RSUs, as applicable, shall terminate without payment and shall be of no further force or effect.

Unless otherwise determined by the Board in its sole discretion, in the event of a change in control of the Corporation and a Service Provider is terminated without cause, or voluntarily terminated for good reason within 1 month prior to or 12 months following the change in control, any unvested PSUs or RSUs outstanding shall automatically become fully vested. All unvested RSUs held by directors of the Corporation shall become automatically vested upon a change in control unless otherwise determined by the Board in its sole discretion. The Common Shares issuable in respect of PSUs or RSUs, unless issued prior to the change of control, shall be deemed to be issued immediately prior to the completion of the transaction which would result in such change in control.

In the event the Corporation effects an amalgamation, combination, arrangement, merger or other reorganization or a subdivision or consolidation of Common Shares or any similar capital reorganization that warrants the amendment or replacement of any existing awards, the Board will, subject to the prior approval of the Exchange, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

The Option Plan

The Option Plan authorizes the Board to issue stock options to certain directors, officers, key employees and others who provide direct or indirect services on an ongoing basis to the Corporation (collectively, "**Participants**"). The purpose of the Option Plan is to afford certain Participants an opportunity to obtain a proprietary interest in the Corporation by permitting them to purchase Common Shares, and to aid in attracting as well as retaining and encouraging the continued involvement of such persons with the Corporation. The Option Plan is administered by the Board. The Board, from time to time, grants options to Participants under the Option Plan in such numbers and with such vesting provisions and additional conditions as are determined by the Board from time to time subject to the conditions contained in the Option Plan. No financial assistance is provided by the Corporation to Participants to facilitate the purchase of Common shares upon the exercise of options granted under the Option Plan.

As of April 23, 2025, an aggregate of 22,353,837 Common Shares were issuable upon the exercise of options previously granted under the Option Plan (representing approximately 4.2% of the currently outstanding Common Shares).

Currently, under the Option Plan:

- (a) The maximum number of Common Shares issuable under the Option Plan and other share compensation arrangements shall not exceed 10% of the issued and outstanding Common Shares from time to time. Common shares in respect of which options are exercised, cancelled or expire

unexercised for any reason shall be available for subsequent option grants under the Option Plan. No fractional shares may be purchased or issued under the Option Plan.

- (b) Any grant of options under the Option Plan is subject to the following limitations: (i) the aggregate number of Common Shares reserved for issuance pursuant to Options outstanding and pursuant to other share compensation arrangements at any time may not exceed 10% of the total issued and outstanding Common Shares; (ii) the aggregate number of Common Shares reserved for issuance pursuant to Options granted to any one participant and pursuant to other share compensation arrangements may not exceed 5% of the total issued and outstanding Common Shares; (iii) the number of Common Shares that may be reserved for allotment to any one consultant of the Corporation (or any of its subsidiaries) pursuant to stock options and pursuant to other share compensation arrangements in any 12 month period must not exceed 2% of the issued and outstanding Common Shares; and (v) the number of Common Shares that may be reserved for allotment to any one person employed to provide investor relations activities pursuant to stock options in any 12 month period must not exceed 2% of the issued and outstanding Common Shares. In addition, stock options granted to consultants performing investor relations activities will contain vesting provisions such that vesting occurs over at least 12 months with no more than $\frac{1}{4}$ of the stock options vesting in any 3 month period and a condition that such stock options will expire 30 days after the optionee ceases to be employed to provide investor relations activities; and (v) the aggregate number of Common Shares reserved for issuance pursuant to stock options granted to insiders of the Corporation under the Option Plan and pursuant to other share compensation arrangements at any time shall not exceed 10% of the total issued and outstanding Common Shares.
- (c) The exercise price of options shall be determined by the Board, provided that if the Common Shares are listed and posted for trading on any exchange, the exercise price shall not be less than the volume weighted average trading price of the shares on such exchange for the five trading days prior to the date of the grant of such options.
- (d) Subject to any specific requirements of any stock exchange upon which the Common Shares are then listed and posted for trading, the Board shall determine the vesting period or periods within the option term during which a Participant may exercise options or a portion thereof. In addition, in the event certain change of control events are proposed or contemplated, the Board may exercise its discretion, by way of a resolution, to permit accelerated vesting of then outstanding stock options.
- (e) The term of any option granted under the Option Plan shall be a period of time fixed by the Board, not to exceed 10 years and, unless the Board determines otherwise, options shall be exercisable in whole or in part at any time during this period in accordance with such vesting provisions, conditions or limitations (including applicable hold periods) as are contained in the Option Plan or as the Board may from time to time impose or as may be required by any stock exchange or under applicable securities laws.
- (f) Subject to the terms of the applicable stock option agreement, in the event that a Participant ceases to be a director, officer, employee or service provider of the Corporation or a subsidiary of the Corporation for any reason other than death or termination for cause, the option may be exercised up to and including the earlier of the expiry time of the option and the date that is 90 days following the effective date of the notice of resignation, retirement or termination, as the case may be; in the event of termination for cause of the Participant, the option will expire and terminate immediately at the time of delivery of the notice of termination; in the event of the death of the Participant, the option may be exercised up to and including the earlier of the expiry time of the option and the date that is one year from the date of death.

- (g) Stock options are not transferable or assignable unless permitted by the stock exchange upon which the Common Shares are then listed and posted for trading.
- (h) Subject to applicable regulatory approval, the Board may, at any time and from time to time, amend, suspend or terminate the Option Plan or an stock option granted thereunder without the approval of the holders of Common Shares, provided that no such amendment, suspension or termination may be made without obtaining any required approval of any regulatory authority or stock exchange or the consent or deemed consent of a Participant where such amendment, suspension or termination materially prejudices the rights of such Participant.
- (i) Notwithstanding paragraph (h) above, and subject to prior review and approval of the Exchange, the Board may amend the Option Plan in any respect with prior approval of the holders of Common Shares, or disinterested approval from holders of Common Shares where applicable according to the policies of the Exchange and, without limiting the generality of the foregoing, the Board may make amendments to the Option Plan or any option granted thereunder for any of the following purposes: (A) to increase the maximum number of Common Shares allocated and made available to be granted to Participants under the Option Plan as set out in Section 4.3 of the Option Plan; (B) to increase the maximum number of Common Shares that may be reserved for issuance pursuant to stock options outstanding at any time as set out in Section 4.5 of the Option Plan; (C) to reduce the Option Price of stock options for the benefit of any Participant; (D) to extend the expiry time of stock options for the benefit of any Participant (subject to a maximum extension of the expiry time to ten years from the date of grant and any additional extension pursuant to Section 6.4 of the Option Plan); or (E) to amend the provisions of Article 13 of the Option Plan.
- (j) If the outstanding Common Shares are increased or decreased or changed into or exchanged for a different number or kind of shares or securities of the Corporation through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, an appropriate and proportionate adjustment shall be made by the Board, in its discretion, in the number or kind of shares optioned and the exercise price per share, as regards previously granted and unexercised options. In addition, in certain circumstances, the Board has been granted the discretion to provide for accelerated vesting of stock options.

Notes:

- This column shows the total compensation value that was awarded in the form of RSUs under the PRSU Plan. For purposes of this executive compensation disclosure, the fair value of the Share-based Awards was determined by multiplying the number of RSUs granted by the weighted average trading price of the Common Shares on the Exchange for the five-day period ended prior to the grant date which equated to \$0.80 in 2024 for all Named Executive Officer's. **The amounts in column (d) above are not necessarily reflective of actual amounts that may be realized on exercise. See "Statement of Executive Compensation – Incentive Awards – Outstanding Share-based Awards and Option-based Awards" which reflects the relevant values at December 31, 2024.**
- Based on the grant date fair value of the applicable options on the date of grant. Orientation consists primarily of an overview of the role of the Board and its committees and a review of the business, policies and practices of the Corporation. Each new director is also provided with a Board manual, which includes the various position descriptions, mandates and policies.

As part of continuing education, the Board receives management presentations with respect to the operations and risks of the business of the Corporation at least four times per year, with a more significant presentation provided in conjunction with the annual budgeting process and annual strategic planning meeting with all directors and officers in attendance. In addition, the opportunity is available for individual directors to identify their continuing education needs through a variety of means, including discussions with management and at Board and committee meetings.

Ethical Business Conduct

The Board has developed a Code of Business Conduct and Ethics (the "**Code**") which outlines the minimum standards of behaviour required by all employees in conducting the business and affairs of the Corporation. Underlying the Code is the expectation that employees maintain and enhance the Corporation's standing as a vigorous and ethical member of the business community. A copy of the Code can be obtained by contacting the Chief Financial Officer at nchicoine@coelacanth.ca or can be found on the Corporation's profile on SEDAR+ at www.sedarplus.com.

In conjunction with the Code, the Board has also developed a Disclosure and Confidentiality Policy and a Share Trading Policy. These policies have been developed, respectively, to ensure that communications to the investing public are timely, factual, accurate and broadly disseminated in accordance with all applicable laws and regulations and to prescribe rules for directors, officers, and employees of the Corporation with respect to trading in securities of the Corporation.

The Board has adopted a Treatment of Complaints Policy to encourage reporting of misconduct and to ensure that concerns regarding questionable business practices can be raised without fear of discrimination, retaliation or

harassment. This policy provides an avenue for individuals to confidentially and anonymously report directly to the Chief Executive Officer or the Chief Financial Officer or if it is inappropriate to submit to such officers, to the Chairman of the Audit Committee complaints and concerns regarding accounting, internal auditing controls or auditing matters without fear of victimization discrimination or disadvantage.

The Audit Committee of the Board monitors compliance with the Code by receiving, from the Chairman of the Audit Committee, a quarterly report showing all submissions of reportable complaints received during the previous quarter through all channels of communication, how such complaints were handled, results of any investigations and any corrective actions taken.

Nomination of Directors

A formal process for the nomination of directors has not yet been implemented; however, as stated in the Corporate Governance Committee charter, it is the responsibility of such committee to propose to the Board, on an annual basis, the members proposed for re-election to the Board and to identify and recommend new nominees to the Board. The fact that all of the members of the Corporate Governance Committee are independent helps to ensure that the nomination process is objective.

Audit Committee

The purpose of the Audit Committee is to ensure that the Corporation's management has designed and implemented an effective system to review and report on the integrity of the financial statements of the Corporation. The committee also ensures that the Corporation has programs in place to attract and develop management of the highest caliber and a process to provide for the orderly succession of management, sets the annual salary, bonus, and other benefits of the Chief Executive Officer and approves the compensation for all other designated officers. For further information, see "Statement of Executive Compensation – Compensation Discussion and Analysis" in the Information Circular to which this Appendix "A" is attached.

Corporate Governance Committee

The purposes of the Corporate Governance Committee are to provide a focus on corporate governance that will enhance corporate performance and to ensure that the Corporation's corporate governance system is effective in discharging the Board's obligations to the Corporation's stakeholders. Reserves Committee

The purpose of the Reserves Committee is to review the results of independent engineering appraisals of the Corporation's oil and gas reserves. The committee's responsibilities include ensuring that the Corporation's reserves are assessed in a reasonable and consistent manner to provide a satisfactory level of confidence for all stakeholders and the public and ensuring that the disclosure relating to the same is accurate and timely.

Health, Safety and Environment Committee

The purpose of the HSE Committee is to review and monitor the health, safety and environmental policies, management systems, activities, and performance of the Corporation in relation to the health and safety of employees of the Corporation in the workplace. The committee's responsibilities include reviewing and monitoring the health, safety and environmental policies and activities of the Corporation to ensure that the Corporation is in compliance with all applicable laws and regulations and recommending actions for developing policies, programs, and procedures to ensure that the principles set out in the Corporation's policies related to the environment and health and safety are being adhered to and achieved.

Environmental, Social and Governance Committee

The purpose of the ESG Committee is to assist the Board in overseeing environmental, social, and governance matters that are relevant to the Corporation's activities and performance, and devoting appropriate attention and effective response to stakeholder concerns regarding such matters. In addition, the committee has the responsibility to perform such other duties and responsibilities enumerated in and consistent with the Corporation's environmental, social and governance committee charter of the Board.

Board Assessment

The Corporation has a formal process in place for assessing the Board, its committees and individual Board members. As part of such process, the chair of the Corporate Governance Committee meets with each Board member on an annual basis to evaluate the performance of the Board, its committees and the members thereof.

6.4 If any Options may not be exercised due to any Black-out Period at any time within the three (3) business day period prior to the Expiry Time of such Options (the "**Restricted Options**"), the Expiry Time of all Restricted Options shall be extended for a period of seven (7) business days following the end of the Black-out Period (or such longer period as permitted by the Exchange and approved by the Board).

7. Exercise of Option

7.1 Subject to the provisions of the Plan and the terms of any stock option agreement, an Option or a portion thereof may be exercised, from time to time, by delivery to the Corporation's principal office in Calgary, Alberta of the Exercise Notice. The Exercise Notice shall state the intention of the Participant or the Participant's legal personal representative to exercise the said Option or a portion thereof, and specify the number of Common Shares in respect of which the Option is then being exercised, and shall be accompanied by cash, a cheque or a bank draft for the full purchase price of the Common Shares which are the subject of the exercise. Such Exercise Notice shall contain the Participant's undertaking to comply, to the satisfaction of the Corporation, with all applicable requirements of the Exchange and any applicable regulatory authorities.

7.2 Provided that the Common Shares are listed on the Exchange and that the Corporation is in compliance with applicable Exchange requirements, a Participant may, in lieu of paying the Option Price for Common Shares to be issued upon the exercise of Options, elect to receive, subject to any applicable withholding requirements and compliance with Exchange Policy 4.4, in respect of all or a portion of the Options being exercised an amount per Option equal to the difference between the VWAP, at the date of receipt by the Corporation of the Exercise Notice, and the Option Price, against surrender of such Option by the Participant to the Corporation for no additional consideration.

8. Adjustments in Shares

8.1 If the outstanding shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, an appropriate and proportionate adjustment shall be made by the Board, in its discretion but subject to the approval of the Exchange in respect of any of the foregoing other than subdivisions or consolidations, in the number or kind of shares optioned and the exercise price per share, as regards previously granted and unexercised Options or portions thereof, and as regards Options which may be granted subsequent to any such change in the Corporation's capital.

8.2 Subject to approval of the Exchange as required under Section 8.1, determinations by the Board as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. 9. Accelerated Vesting

9.1 In the event that certain events such as a Take-over Bid, liquidation or dissolution of the Corporation or a re-organization, plan of arrangement, merger or consolidation of the Corporation with one or more entities, as a result of which the Corporation is not the surviving entity, are proposed or contemplated, the Board may, notwithstanding the terms of the Plan or stock option agreements issued hereunder (a) exercise its discretion, by way of resolution, to permit accelerated vesting of Options on such terms as the Board sees fit at that time, and (b) in the event of an acceleration of vesting as referred to in (a), exercise its discretion, by way of resolution, to cause the Options to terminate after the end of the period of accelerated vesting on such terms as the Board sees fit at that time, even if such termination of the Options is prior to the normal Expiry Time of the Options. If the Board, in its sole discretion, determines that the Common Shares subject to any Option granted hereunder shall vest on an accelerated basis, all Participants entitled to exercise an unexercised portion of Options then outstanding shall have the right at such time, upon written notice being given by the Corporation, to exercise such Options to the extent specified and permitted by the Board, and within the time period specified by the Board, which shall not extend past the Expiry Time.

9.2 In addition to the above, an Option may provide for acceleration of the vesting provisions contained therein upon other events resulting in a change of control of the Corporation or upon a Participant ceasing to be a director, officer, employee or Service Provider of the Corporation or a Subsidiary for any reason, on such terms as the Board determines in its sole discretion at the time of the grant of the Option.

9.3 Where the accelerated vesting provisions of this Article 9 apply, the Corporation may satisfy any obligations to a Participant hereunder by paying to the Participant in cash the difference between the exercise price of all unexercised Options granted hereunder and the Fair Market Value of the securities to which the Participant would be entitled upon exercise of all unexercised Options.

9.4 Notwithstanding any other provision of this Article 9 to the contrary, no Options held by any Investor Relations Service Provider shall be subject to accelerated vesting pursuant to this Article 9 without prior approval of the Exchange.

10. Decisions of the Board

10.1 All decisions and interpretations of the Board respecting the Plan or Options granted thereunder shall be conclusive and binding on the Corporation and the Participants and their respective legal personal representatives and on all directors, officers, employees and consultants of the Corporation who are eligible to participate under the Plan.

11. Ceasing to be a Director, Officer, Employee or Service Provider

11.1 Subject to the terms of the applicable stock option agreement, in the event of the Participant ceasing to be a director, officer, employee or Service Provider of the Corporation or a Subsidiary for any reason other than death, including the resignation or retirement of the Participant and the termination by the Corporation or a Subsidiary of the employment of the Participant, prior to the Expiry Time, such Option may be exercised as to such of the Common Shares in respect of which the Option has not previously been exercised (and as the Participant would have been entitled to exercise) at any time up to and including (but not after) the earlier of the Expiry Time and a date that is ninety (90) days following the effective date of such notice of resignation or retirement or a date that is ninety (90) days following the date notice of termination of employment is given by the Corporation or a Subsidiary, subject to such shorter period as may be otherwise specified in a stock option agreement, whether such termination is with or without

reasonable notice, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

11.2 In consideration of the Option hereby granted, in the event of the resignation or retirement of the Participant or the termination of employment by the Corporation without cause, the Participant hereby covenants not to sue the Corporation for damages arising from the loss of rights granted hereunder and releases the Corporation from any damages.

11.3 Notwithstanding the foregoing, in the event of termination for cause, such Option shall expire and terminate immediately at the time of delivery of notice of termination of employment for cause to the Participant by the Corporation or a Subsidiary and shall be of no further force or effect whatsoever as to the Common Shares in respect of which an Option has not previously been exercised.

11.4 In the event of the death of a Participant at or prior to the Expiry Time, such Option may be exercised as to such of the Common Shares in respect of which such Option has not previously been exercised (and as the Participant would have been entitled to exercise) by the legal personal representatives of the Participant, at any time up to and including (but not after) the earlier of the Expiry Time and a date that is one year from the date of death of the Participant, subject to such shorter period as may be otherwise specified in a stock option agreement, after which date the Option shall forthwith expire and terminate and be of no further force or effect whatsoever.

The Board reserves the right to restrict eligibility or otherwise limit the number of Persons eligible for participation in the Plan at any time. Eligibility to participate does not confer upon any individual a right to receive an award of Share Units pursuant to the Plan.

3.4 Total Shares Subject to Share Units

Unless otherwise approved by the TSXV (or such other exchanges on which the Shares may be listed from time to time) and the shareholders of the Company:

- (a) the securities that may be issued to Participants pursuant to this Plan shall consist of those authorized but unissued Shares which the Board and/or Committee has, in its discretion, reserved and approved for issuance under the Plan from time to time;

3.5 Participant's Agreement to be Bound

- (a) Participation in the Plan is entirely voluntary and is at the discretion of the Eligible Person, and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. Should any Eligible Person elect to participate in the Plan by electing to receive Share Units through delivery of an acknowledgement in the manner specified in Section 3.5(b) or otherwise, such acknowledgement shall be construed as acceptance by the Eligible Person, of the terms and conditions of the Plan, and all rules and procedures adopted hereunder, as amended, assigned or assumed from time to time in accordance with the terms hereof.
- (b) In order to participate in the Plan, an Eligible Person shall acknowledge each Award Notice and such other matters as deemed necessary by the Committee, in its sole discretion, including those matters specified in Schedule A or Schedule B, as applicable, by delivering their countersigned acknowledgement on the Award Notice within fifteen (15) days of the delivery of an Award Notice. If such acknowledgement is not so delivered within the time specified in this Section 3.5(b), the Company shall not credit any Share Units to the Participant's account, unless waived by the Committee, in its sole discretion.

ARTICLE 4 AWARD OF SHARE UNITS

4.1 Award of Share Units

Subject to the provisions of the Plan and such other terms and conditions as the Committee or the Board may prescribe, the Committee may, from time to time, grant Share Units to any Eligible Person. Upon receipt of an acknowledgement in the manner specified in Section 3.5, Share Units shall be credited to an account maintained for each Participant on the books of the Company, effective as of the Award Date for that grant. The number of Share Units (including fractional Share Units) to be credited as of the Award Date shall be determined by the Committee in its sole discretion.

4.2 Vesting Period

Each Share Unit will vest on such terms as shall be specified by the Board or Committee at the time of granting an award of Share Units as reflected in the Award Notice, except that no Share Unit, or portion thereof, may vest before the date that is one year following the date it is granted or issued, or after the Expiry Date or as otherwise provided in this Plan.

4.3 Performance Vesting

- (a) Prior to the Distribution Date in respect of any PSU, the Board or Committee shall assess the performance of the Company for the applicable period. The weighting of the individual measures comprising the Performance Measures shall be determined by the Board or Committee, as applicable, in its sole discretion having regard to the principal purposes of the Plan and, upon the assessment of all Performance Measures, the Board or Committee shall determine the Adjustment Factor for the applicable period in its sole discretion. The applicable Adjustment Factor may be between a minimum of zero and such maximum as determined by the Board or Committee (provided such maximum shall not exceed 2.0).
- (b) The number of PSUs which vest on a vesting date specified in an Award Notice, provided that such PSUs must vest in accordance with Section 4.2, is the number of PSUs scheduled to vest on such date multiplied by the Adjustment Factor.

4.4 Award Notice

All awards of Share Units under Section 4.1 will be evidenced by an Award Notice. Such Award Notice will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Board or Committee may direct. Any one officer of the Company is authorized and empowered to execute and deliver, for and on behalf of the Company, an Award Notice to a Participant once the Board or Committee has approved the grant of Share Units to that particular Eligible Person.

4.5 Credits for Dividends

In the event that the Company pays a normal cash dividend in accordance with its dividend policy on the Shares, a Participant's account shall be credited with a Dividend Equivalent in the form of additional Share Units as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such Dividend Equivalent shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of Share Units recorded in the Participant's account on the record date for the payment of such dividend; by (b) the Dividend Market Value, with fractions computed to three (3) decimal places. Any additional Share Units resulting from such Dividend Equivalent shall have the same vesting schedule, Distribution Date and other terms as the Share Units to which they relate. Notwithstanding the foregoing, if the credit of all or a portion of any Dividend Equivalent in the form of additional Share Units pursuant to this Section 4.5 would result in non-compliance with the issuance limitations in Section 3.4, the Company shall make a payment in Cash to the Participant for such amount of Dividend Equivalent. The foregoing does not obligate the Company to pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

4.6 Distribution Date Election

- (a) Subject to Sections 4.6(b), 4.9, 4.10 and 4.11, a Participant who is not a U.S. Taxpayer shall have the right to elect to exercise any vested Share Units recorded in the Participant's account by delivering to the Company an Exercise Notice specifying a date for distribution of Shares or Cash Equivalent (or a combination of the two) in settlement of such Share Units ("**Distribution Date**"), such date to be set out by the Participant in the Exercise Notice; provided that such date shall not be later than the earlier of:
 - (i) the thirtieth (13th) day after the Participant ceases to be eligible to participate under the Plan; or
 - (ii) the Expiry Date.
- (b) In the event a Participant fails to deliver a timely Exercise Notice pursuant to Section 4.6(a) or specifies a Distribution Date in an Exercise Notice which is later than the Expiry Date, the Distribution Date shall be deemed to be the Expiry Date.
- (c) A Participant who is not a U.S. Taxpayer shall be entitled to elect in the Exercise Notice delivered to the Company in accordance with Section 4.6(a) hereof, for all of such Participant's Share Units to be settled in exchange for a payment by the Company of a Cash amount per Share Unit equal to the Settlement Market Value of the Payment Shares on the Distribution Date, net of applicable withholding tax, provided that such Distribution Date shall not be later than the Expiry Date. The Company has the sole discretion to consent or refuse the election of the Participant to receive Cash pursuant to this Section 4.6(c). If the Company refuses the election, the Share Units shall be satisfied in accordance with the manner described in Section 4.7.
- (d) Notwithstanding anything to the contrary in this Section, with respect to any Share Units awarded to a Participant who is a U.S. Taxpayer, the Distribution Date shall be the applicable vesting date set out in the applicable Award Notice. No Exercise Notice or election of alternative Distribution Date shall be permitted for U.S. Taxpayers.

4.7 Distribution of Shares

Subject to any election received and accepted by the Company pursuant to Section 4.6(c), and subject to Section 4.13, as soon as practicable after each Distribution Date or on the Expiry Date (if the Distribution Date is the Expiry Date), the Company shall issue to the Participant or, if Section 4.11 applies, to the Participant's estate, a number of Shares equal to the number of Share Units in the Participant's account that became payable on the Distribution Date (the "**Payment Shares**"). As of the Distribution Date, the Share Units in respect of which Shares were issued or Cash was paid (in accordance with Section 4.13(c)), or both, as applicable, shall be cancelled and no further payments shall be made to the Participant under the Plan in relation to such Share Units.

4.8 Resignation or Termination

Notwithstanding Sections 4.6 and 4.7, and subject to any written resolution passed by the Board or Committee, if any Participant shall cease to hold the position or positions of director, officer, employee, Consultant or Management Company Employee of the Company or any subsidiaries (as the case may be)

for any reason other than death or Disability, then all Share Units granted to the Participant under the Plan that have not yet vested within 90 days after the date such Participant ceases to hold the position or positions of director, officer, employee, Consultant or Management Company Employee of the Company or any subsidiaries as the case may be, shall terminate without payment and shall be of no further force or effect. All grants of Share Units to U.S. Taxpayers shall be deemed to adjust the 90 day term specified herein to 74 days.

4.9 Disability

Subject to any express resolution passed by the Board or Committee, if any Participant shall cease to hold the position or positions of director, officer, employee, Consultant or Management Company Employee of the Company or any subsidiaries (as the case may be) by reason of Disability, any vested Share Units held by such Participant under the Plan at the date such Participant ceases to hold the position or positions of director, officer, employee, Consultant or Management Company Employee of the Company or any subsidiaries as the case may be, shall be automatically settled and the Distribution Date shall be the 90th day after such date and all unvested Share Units shall terminate without payment and shall be of no further force or effect.

4.10 Retirement

- (a) Subject to any express resolution passed by the Board or Committee, if any Participant shall cease to hold the position or positions of officer or employee of the Company or any subsidiaries (as the case may be) by reason of Retirement, any Share Units held by such Participant under the Plan at the date such Participant ceases to hold the position or positions of officer or employee of the Company or any subsidiaries (as the case may be), shall continue to vest in the manner set forth in the applicable Award Notice for such Share Units and such Share Units shall expire within a reasonable time following the date of Retirement as determined by the Board or Committee (and in any event no later than the date that is twelve (12) months following the date of Retirement), except, at the discretion of the Board, for any Share Units which are awarded to such officer or employee during the calendar year in which the officer or employee retires, all of which Share Units shall expire; and provided further that all Share Units which remain unvested on the date that is twelve (12) months from such Participant's Retirement shall automatically expire.
- (b) Subject to any express resolution passed by the Board or Committee, if any Participant shall cease to hold the position of director of the Company or any subsidiaries (as the case may be) by reason of Retirement, any RSUs held by such Participant under the Plan at the date such Participant ceases to hold the position of director of the Company or any subsidiaries (as the case may be), shall continue to vest in the manner set forth in the applicable Award Notice for such RSUs, except, at the discretion of the Board, for any RSUs which are awarded to such director during the calendar year in which the director retires, all of which RSUs shall expire.

4.11 Death of Participant Prior to Distribution

Notwithstanding Sections 4.6 and 4.7 of the Plan, but subject to any express resolution passed by the Board or Committee, upon the death of a Participant, any vested Share Units held by such Participant or any Share Units which shall vest within one year after the death of the Participant under the Plan shall be

automatically settled and the Distribution Date shall be within one (1) year after the death of the Participant and all other unvested Share Units shall terminate without payment and shall be of no further force or effect.

4.12 Adjustments to Share Units

In the event of any subdivision, consolidation, stock dividend, capital reorganization, reclassification, exchange, or other change with respect to the Shares, or a consolidation, amalgamation, merger, spin-off, sale, lease or exchange of all or substantially all of the property of the Company or other distribution of the Company's assets to shareholders (other than the payment of dividends in respect of the Shares as contemplated by Section 4.5), the account of each Participant and the Share Units outstanding under the Plan shall be adjusted in such manner, if any, as the Board may in its discretion, subject to approval by the TSXV, deem appropriate to preserve, proportionally, the interests of Participants under the Plan.

4.13 Settlement of Share Units

Notwithstanding anything herein to the contrary, on the Distribution Date, the Board or Committee, as applicable, in its sole discretion, shall have the option of settling the Shares issuable in respect of Share Units, net of any applicable withholdings required by law, by the following methods:

- (a) settlement in Shares acquired by the Company on the TSXV;
- (b) settlement in Shares issued from the treasury of the Company;
- (c) settlement in an amount of Cash per Share Unit equal to the Settlement Market Value of the Shares on the Distribution Date (the "**Cash Equivalent**"); or
- (d) any combination of (a), (b), or (c) above.

4.14 Change of Control and Termination

- (a) Unless otherwise determined by the Board in its sole discretion, in the event:
 - (i) a Change of Control occurs; and
 - (ii) a Participant's service with the Company or any subsidiary is either:
 - (A) involuntarily terminated without Cause; or
 - (B) voluntarily terminated for Good Reason within one (1) month prior to or twelve (12) months following the Change of Control Date,

(each, a "**Double Trigger Event**"),

all unvested Share Units shall become automatically vested and the Performance Measures shall take into account, in determination of any Adjustment Factor in respect of any PSUs, the period up to and including the Change of Control.

- (b) Unless otherwise determined by the Board in its sole discretion, upon a Change of

Control, all unvested RSUs held by directors shall become automatically vested.

- (c) Shares issuable in respect of Share Units shall be, and shall be deemed to be, issued to Participants effective immediately prior to the completion of the transaction which would result in the Change of Control unless issued prior thereto in accordance with this Plan.

4.15 Discretion to Permit Vesting

Notwithstanding the provisions of Section 4.2, the Board may, in its sole discretion, at any time prior to or following the events contemplated in such Sections 4.11 and 4.14, permit the vesting of any or all Share Units held by a Participant and the issuance of the Payment Shares (or their Cash Equivalent, or any combination of the two) in respect of such Share Units in the manner and on the terms authorized by the Board, provided that the Board will not, in any case, authorize the vesting of a Share Unit pursuant to this Section beyond the Expiry Date applicable to the particular Share Unit.

4.16 Black-Out Periods

Subject to the rules and regulations of any exchange on which the Shares are listed for trading, notwithstanding any other provisions of this Plan, if the Distribution Date of any Share Unit occurs during or within two (2) business days following the end of a Black-Out Period (as defined below), the Distribution Date of such Share Unit shall be extended for a period of two (2) business days following the end of the Black-Out Period (or such longer period as permitted by the TSXV or other exchange on which the Shares are listed and approved by the Board), provided that if any such extension would cause the vesting date for a Share Unit to extend beyond the Expiry Date, the amounts to be paid on such vesting date shall be paid on the Expiry Date, notwithstanding the Black-Out Period. "Black-Out Period" means the period of time when, pursuant to any policies of the Company, any securities of the Company may not be traded by certain persons as designated by the Company, including any holder of a Share Unit.

ARTICLE 5 GENERAL

5.1 Withholding Taxes

When a Participant becomes entitled to receive an award of any Share Units or, on the settlement thereof, the Company shall have the right to require the Participant to remit to the Company an amount sufficient to satisfy any withholding tax requirements relating thereto. Unless otherwise prohibited by the Committee or by applicable law, satisfaction of the withholding tax obligation may be accomplished by any of the following methods or by a combination of such methods:

- (a) the tendering by the Participant of Cash payment to the Company in an amount less than or equal to the total withholding tax obligation;
- (b) where the Company has elected to issue Shares to the Participant, the withholding by the Company, from the Shares otherwise payable to the Participant such number of Shares as it determines are required to be sold by the Company, as trustee, to satisfy the total withholding tax obligation (net of selling costs, which shall be paid by the Participant). The Participant consents to such sale and grants to the Company an irrevocable power of attorney to effect the sale of such Shares and acknowledges and agrees that the Company does not accept responsibility for the price obtained on the sale of such Shares; or

- (c) the withholding by the Company, from any Cash remuneration or payment otherwise due to the Participant such amount of Cash as is less than or equal to the amount of the total withholding tax obligation;

provided, however, that the sum of any Cash so withheld and the Fair Market Value of any Shares so withheld is sufficient to satisfy the total withholding tax obligation. Any reference in this Plan to the value of any award of Share Units, or issuance of Shares or Cash in settlement thereof, is expressly subject to this Section 5.1.

5.2 Amendment, Suspension, or Termination of Plan

- (a) Subject to Sections 5.2(b) and 5.2(c) below and to the rules and policies of any stock exchange on which the Shares are listed and applicable law, the Board may, without notice or shareholder approval, at any time or from time to time, amend, suspend or terminate the Plan or awards granted hereunder for any purpose which, in the good faith opinion of the Board, may be expedient or desirable, including making such amendments to the Plan to comply with rules and policies of any stock exchange on which the Shares are listed, provided that no amendment will cause the Plan or any Share Unit to cease to comply with paragraph (k) of the definition of "salary deferral arrangement" in subsection 248(1) of the Income Tax Act (Canada).
- (b) Notwithstanding Section 5.2(a) but subject to Section 5.2(f), the Board shall not alter or impair any rights or increase any obligations with respect to a Share Unit previously granted under the Plan without the consent of the Participant.
- (c) Notwithstanding Section 5.2(a), none of the following amendments shall be made to this Plan or awards granted hereunder without approval of the TSXV (to the extent the Company has any securities listed on such exchange) and the approval of shareholders:
 - (i) amendments to the Plan which would increase the number of securities issuable under the Plan otherwise than in accordance with the terms of this Plan;
 - (ii) amendments to the Plan which would increase the number of securities issuable to Insiders otherwise than in accordance with the terms of this Plan;
 - (iii) amendments that would extend the Distribution Date of any Share Units held by Insiders beyond the Expiry Date of the Share Units;
 - (iv) amendments that would reduce the Award Market Value of any Share Units held by Insiders otherwise than in accordance with the terms of this Plan;
 - (v) the addition of any form of financial assistance to a Participant;
 - (vi) amendments to the restriction under Section 5.7 to permit a Participant to transfer any Share Units to a new beneficial holder other than for estate settlement purposes; and
 - (vii) amendments to this Section 5.2.

Such amendments shall require the approval of the holders of the Company's Shares by ordinary resolution.

- (d) If the Board terminates or suspends the Plan, no new Share Units will be credited to the account of a Participant. Previously credited Share Units whether or not vested, may, at the Board's election, be accelerated (if unvested) and/or Shares issuable in respect of such Share Unit may be distributed to Participants or may remain outstanding. In the event that a Share Unit remains outstanding following a suspension or termination of the Plan, such Share Unit shall not be entitled to Dividend Equivalents unless at the time of termination or suspension the Board determines that the entitlement to Dividend Equivalents after termination or during suspension, as applicable, should be continued.
- (e) The Board shall not require the consent of any affected Participant in connection with a termination of the Plan in which the vesting of all Share Units held by the Participant are accelerated and the Payment Shares, or the Cash Equivalent of said Payment Shares (or a combination of the two), are issued and/or paid to the Participant in respect of all such Share Units.
- (f) The Plan will terminate on the date upon which no further Share Units remain outstanding.

5.3 Taxes

Participants (or their beneficiaries) shall be responsible for reporting and paying all taxes with respect to any Share Units under the Plan, whether arising as a result of the grant or vesting of Share Units or otherwise. Neither the Company nor the Board make any guarantees to any person regarding the tax treatment of a Share Unit or payments made under the Plan and none of the Company or any of its employees or representatives shall have any liability to a Participant with respect thereto. The Company will provide each Participant with (or cause each Participant to be provided with) a T4 slip or such information return as may be required by applicable law to report income, if any, arising upon the grant or vesting of rights under this Plan by a Participant for income tax purposes.

5.4 Compliance with Laws/U.S. Tax Matters

The administration of the Plan shall be subject to and made in conformity with all applicable laws and any regulations of a duly constituted regulatory authority. If at any time the Board determines that the listing, registration or qualification of the Shares subject to the Share Unit upon any securities exchange or under any provincial, state, federal or other applicable law, or the consent or approval of any governmental body, securities exchange, or the holders of the Shares generally, is necessary or desirable, as a condition of, or in connection with, the granting of such Share Units or the issue of Shares thereunder, no such Share Unit may be awarded or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Board.

The Share Units awarded to Participants who are U.S. Taxpayers are intended to be exempt from Section 409A of the U.S. Code and the provisions of this Plan shall be interpreted consistent with that intent.

5.5 Reorganization of the Company

The existence of any Share Units shall not affect in any way the right or power of the Company or its

shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or to create or issue any bonds, debentures, shares or other securities of the Company or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company, or any amalgamation, combination, merger or consolidation involving the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.6 Assignment and Transfer

Rights and obligations under the Plan are non-assignable and non-transferable by a Participant. Rights and obligations under the Plan may be assigned by the Company to a successor in the business of the Company, any company resulting from any amalgamation, reorganization, combination, merger or arrangement of the Company, or any company acquiring all or substantially all of the assets or business of the Company.

5.7 Units Non-Assignable and Non-Transferable

Share Units are non-assignable and non-transferable. Certificates representing Share Units will not be issued by the Company.

5.8 Participation to be Determined by Board; No Additional Rights

The participation of any Participant in the Plan shall be determined by resolution of the Board. Nothing in this Plan shall be construed to provide the Participant with any rights whatsoever to participate or to continue participation in this Plan, or to compensation or damages in lieu of participation. The Company does not assume responsibility for the personal income tax liability or other tax consequences for the Participants and they are advised to consult with their own tax advisors.

5.9 No Shareholder Rights

Under no circumstances shall Share Units be considered Shares or other securities of the Company, nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Company, nor shall any Participant be considered the owner of Shares by virtue of the award of Share Units. A Participant will acquire rights to Shares in respect of Share Units only upon the allotment and issuance to the Participant of certificates representing such Shares.

5.10 Fractions

No fractional Share will be issued pursuant to an award granted hereunder. The number of Shares issuable upon payment of any award granted under this Plan will be rounded down to the nearest whole number of Shares. No payment or other adjustment will be made with respect to the fractional Share so disregarded.

5.11 Unfunded and Unsecured Plan

Unless otherwise determined by the Board, the Plan shall be unfunded and the Company will not secure its obligations under the Plan. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Share Units under the Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Company.

5.12 Market Fluctuations

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Company makes no representations or warranties to Participants with respect to the Plan or the Shares whatsoever. In seeking the benefits of participation in the Plan, a Participant agrees to accept all risks associated with a decline in the market price of Shares.

5.13 Participant Information

Each Participant shall provide the Company with all information (including personal information) required by the Company in order to administer to the Plan. Each Participant acknowledges that information required by the Company in order to administer the Plan may be disclosed to other third parties in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Company to make such disclosure on the Participant's behalf.

5.14 Indemnification

Every director of the Company will at all times be indemnified and saved harmless by the Company from and against all costs, charges and expenses whatsoever including any income tax liability arising from any such indemnification, that such director may sustain or incur by reason of any action, suit or proceeding, taken or threatened against the director, otherwise than by the Company, for or in respect of any act done or omitted by the director in respect of administering this Plan, such costs, charges and expenses to include any amount paid to settle such action, suit or proceeding or in satisfaction of any judgment rendered therein.

5.15 Effective Date of the Plan

The Plan shall be effective as of April 19, 2022.

5.16 Governing Law

The Plan shall be governed by, and interpreted in accordance with, the laws of the Province of Alberta and the laws of Canada applicable therein, without regard to principles of conflict of laws.
